Dear Member

In September/October, we have the local government elections and our challenge is to win enough seats on the Auckland City Council and Auckland Regional Council to gain control for C&R so that we can return efficient and responsible governance to our City.

Thank you for your past support. In order to assist us to achieve our goals for C&R and Auckland, we are again seeking your support this year, both financially and in helping with the campaign.

You may be able to help us with hoarding sites and you may know people who are interested in standing as candidates.

You can contact us on info@CandR.org.nz. Or telephone 021 666 778
